

## **COMMERCIAL BUILDING PERMIT FEE FOR BRYAN COUNTY**

**Commercial Building Permits Fees can be calculated as follows:** Estimated Cost of Construction x .007 for the first million dollars of project cost, plus .004 times the project cost over one million dollars.  
Example: \$3,000,000.00 (est. cost) - Multiply \$1,000,000 x .007 = \$7,000.00. Then multiply the other \$2,000,000 x .004 = \$ 8,000.00 (total cost \$ 7,000 + \$8,000 = \$ 15,000)

**Additional questions concerning permits should be directed to Bryan County Planning and Zoning Office at (912) 653-3893 or 653-5252.**

Applications for building permits shall be granted or refused within thirty days from the date of application.
